

Data Policy and Data Delivery

Stephen R. Springston

10/27/06 ASP Annual Meeting, Boulder, CO

- Data Delivery – Thanks
 - G-1 merge (ongoing)
 - <ftp.asd.bnl.gov/pub/ASP%20Field%20Programs>
 - NARSTO Data Archive

Data Policy

- ASP is a Science Program with a Measurement Component
- “Get the biggest bang for the buck!”
- Details
 - Watch this space
 - Include a Program Specific Data Policy in Experiment Planning
 - . . .

ASP Data Server

- Potential for expansion: Why?
- Single location benefits PIs, Users
- Jerry Elwood mandate
- Quick dissemination (internally/externally mixed), public and/or password
- Long-range utility (NARSTO???)

To Do

- ASP site is available
- Needs
 - Policeman
 - Gatekeeper
 - Crossing Guard
- File naming, data directory, form, metadata
